Examiner's statement of reasons for allowance:

Claims 1-11 are allowed in view of the recitation in claim 1 of "the first portion comprising...an extendible portion movable between a relatively extended configuration and a relatively contracted configuration...wherein the extendible portion is biased towards the relatively extended portion , such that when the first portion is detached from the second portion , the extendible portion is urged towards the relatively extended configuration" , the structure claimed in combination with the remaining elements of the claim being absent from and not obvious in view of the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
